ABOUT KIDS' CHANCE OF PA

For 25 years, the mission of Kids' Chance of Pennsylvania, Inc. (Kids' Chance of PA) is to provide scholarship grants for college and vocational education to children of Pennsylvania workers who have been killed or seriously injured in a work-related accident resulting in financial need.

The hardships created by the death or serious disability of a parent often include financial ones, making it difficult for deserving young people to pursue their educational dreams.

For information on Kids' Chance of PA, including how to get involved or apply for scholarship, please visit www.kidschanceof-pa.org.

Eastern Alliance proudly partners with Kids' Chance organizations in many states to deliver hope and opportunity to children whose parents have been killed or severely injured on the job.

By investing in our children's futures, we can provide them with the tools to be successful in the workplace, so they can make a difference in their own and other people's lives.

Join us to for the Brighter Futures 5K Run/Walk, and help give kids a chance!

RUN/WALK DESCRIPTION

5K is a professional, chip-timed event. Run or walk on a well-marked, accurately measured course.

The 5K course uses the Walking Path that encircles Manor Middle School and Hambright Elementary, and links with a path in the adjacent John G. Herr Park. It is paved and mostly flat, with a few gradual upgrades.

Dogs on a leash are welcome! They are permitted on the 5K course but NOT in the building used for registration and restrooms. To ensure a enjoyable event for all, humans and puppies should note the registration instructions.

The Kids Fun Run (ages 12 and under) takes place in front of the school on a paved quarter-mile route. All participants receive a ribbon--no other awards provided.
