

Eastern Alliance Insurance Group

Accessing Safety.BLR.com

Eastern's website has a new look and new URL (www.easternalliance.com). What hasn't changed is offering you a wealth of resources to help you with workplace safety. To access Safety.BLR.com, choose the action below that applies to you. *Note, to access all of the safety resources including Safety.BLR.com, you will need a website user account. If you don't have one, click on "Register" on the top right of the page and create a user account.

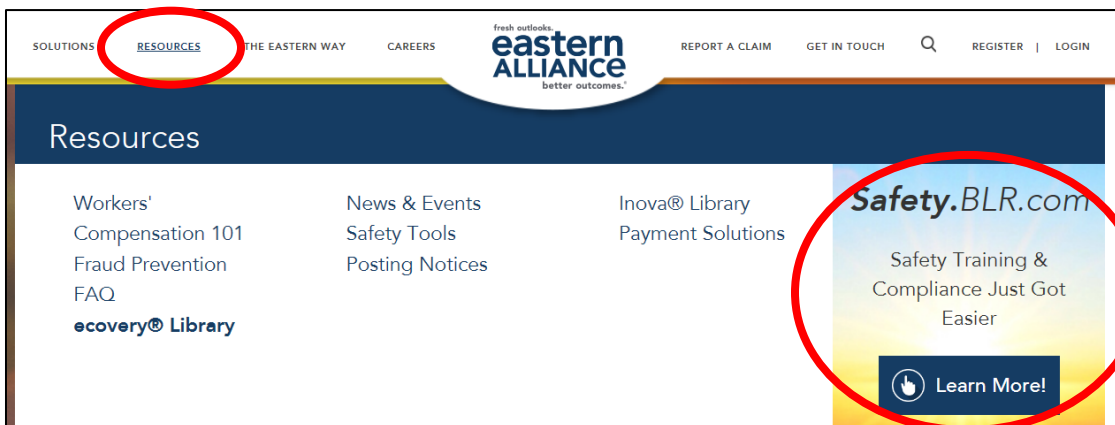

First time logging-in since the website changed from www.eains.com to www.easternalliance.com?

Please **migrate your account** into the new website. From the top right corner, click on the login button, but **do not enter your User ID/Password**—select the "Migrate Your Account" button and follow the steps provided on screen.

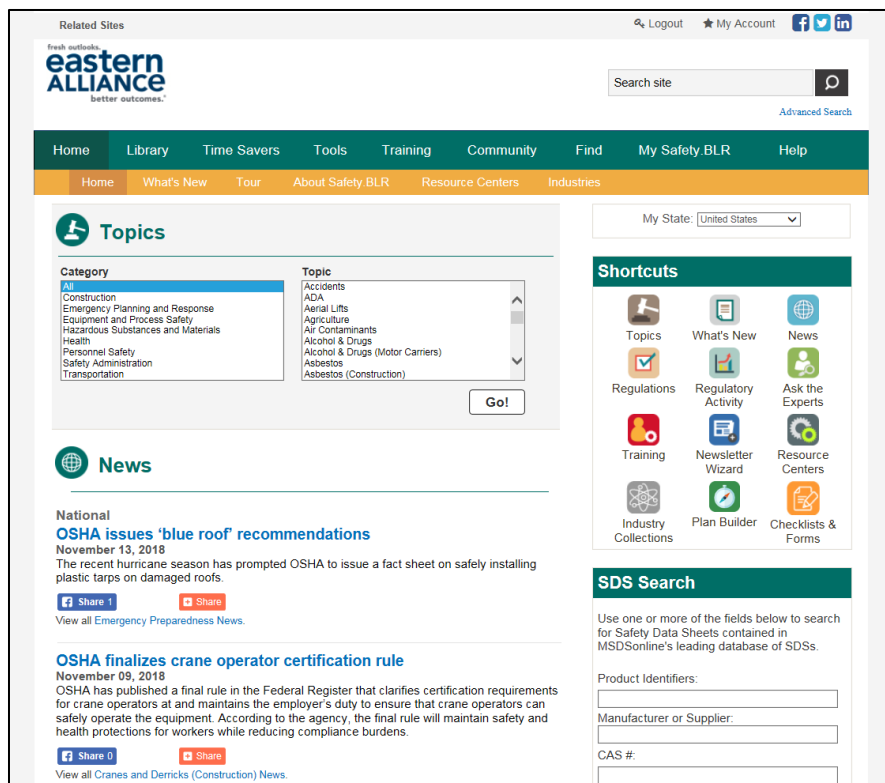

Already migrated your account?

Login with your email address and new password, hover your mouse over "Resources" for a drop-down menu with links to the Safety Tools library and to Safety.BLR.com. Click on the Safety.BLR.com "Learn More" button, and the "Continue" on the pop-up window stating "You are now leaving our site." You'll now be on Safety.BLR.com website and able to access a variety of safety resources!

BLR's home page will look like this after you are logged in:

Valuable facts about the Safety.BLR.Com site:

- A company looking to purchase access to this site would pay \$995 annually. With Eastern Alliance Insurance Group it is **free**.
- The site offers up-to-date safety news including OSHA standard changes, large violations, current safety news, etc.
- Information is available for both federally mandated and state specific regulations.
- Resources include OSHA letters of interpretation, written directives and SDS policies, training materials, toolbox talks, material safety data sheet resources and much more.
- Most training materials are available in English and Spanish.
- The site is easy to maneuver and search for particular materials. The data is broken down by categories such as construction, healthcare and personal safety also by topic, and by type of information. (i.e. PowerPoint presentation, quizzes, toolbox talks, etc.)
- Another unique tool offered by BLR is audio presentations, allowing employees to listen to presentations of topics when a trainer cannot be present.

Safety.BLR.Com is yet another great reason for your business to partner with Eastern Alliance Insurance Group. If you have any questions, please feel free to contact a Risk Management Consultant.
