ABOUT KIDS' CHANCE OF PA

The mission of Kids' Chance of Pennsylvania, Inc. (Kids' Chance of PA) is to provide scholarship grants for college and vocational education to children of Pennsylvania workers who have been killed or seriously injured in a work-related accident resulting in financial need.

The hardships created by the death or serious disability of a parent often include financial ones, making it difficult for deserving young people to pursue their educational dreams.

For information on Kids' Chance of PA, including how to get involved or apply for scholarship, please visit www.kidschanceofpa.org.

Eastern Alliance is proud to partner with Kids' Chance organizations in many states to deliver hope and opportunity to children whose parents have been killed or severely injured on the job.

By investing in our children's futures, we can provide them with the tools to be successful in the workplace, so they can make a difference in their own and other people's lives.

Join us to for the Brighter Futures 5K Run/Walk, and help give kids a chance!
