Kids' Chance of Pennsylvania, Inc. provides scholarship grants for college and vocational education to children of PA workers who have been killed or seriously injured in a work-related accident resulting in financial need. Learn how to get involved or apply for scholarships by visiting www.kidschanceofpa.org.

Eastern Alliance is proud to partner with several Kids' Chance state organizations. By investing in our children's futures, we can provide them with the tools to be successful in the workplace, so they can make a difference in their own and other people's lives.

We're virtual this year! If you haven't done a virtual 5K before, here's how it works:

- Pick out a course or plan a route to walk or run that is 5K in length. 5K is equivalent to 3.12 miles. That's about 12.5 laps around a track or around 4,200 steps for many walkers. You can find courses other people have used, or map out your own through a number of free course creators online.
- Sometime during the event period, walk or run your course. There are virtual bibs through our RaceRoster site!
- Record your time (Hour:Minute:Second) and distance. Take a picture of your GPS wearable tracker/running watch or a screenshot from any of the popular running apps on your smartphone/device that displays the distance, time and date.
- Submit your time by emailing Tom Ecker at tomecker@comcast.net by **Sunday, November 14 at 9:00 p.m. ET**. The results will be posted on both the race's RaceRoster site and www.easternalliance.com/BrighterFutures2021. Awards will be mailed after the event's conclusion.

Cash awards for top three male/female:

- 1st Place Male/Female Overall Winners: \$100
- 2nd Place Male/Female Overall Winners: \$50
- 3rd Place Male/Female Overall Winners: \$25
